A man and a woman are standing in a vineyard at sunset. The woman, on the left, is wearing a white short-sleeved top and a patterned skirt. The man, on the right, is wearing a blue t-shirt and a brown hat, and is holding a glass of red wine. In the foreground, there is a wooden tray filled with various appetizers, including bread, cheese, and vegetables. The background shows a vast vineyard with rows of grapevines stretching towards distant mountains under a warm, golden sky.

ICONIC FESTIVAL. STUNNING DESTINATION.

Image: Miners Ridge Vineyard

Grampians Grape Escape acknowledges the traditional Aboriginal owners of country on which live music, laughter and conversation will echo throughout the foothills of Gariwerd as friends and family gather for this annual celebration. We pay our respects to Elders, past and present; to their history, culture and continuous connection to Country. We extend that respect to Aboriginal and Torres Strait Islander peoples here today.

On behalf of the Victorian Government, welcome to Halls Gap for Grampians Grape Escape 2024

The Victorian Government has supported this great event over many years and is proud to see it showcasing the region's long-standing connection to wine-making, set against the stunning backdrop of Gariwerd – Grampians National Park.

Celebrating its 31st year, the Grampians Grape Escape would not be possible without the hard work from passionate event organisers, winemakers, producers, musicians and volunteers who come together to deliver a wonderful three-day event.

Kicking off the program, this year's Feel-Good Friday will be an opportunity for festival attendees to show support for producers, businesses and communities impacted by recent bushfires in the Grampians and Pyrenees.

Throughout the weekend, the program is stacked with great events including exhibitor masterclasses, cooking demonstrations, live music, and kids' activities – so there's something for every palate.

And with more than 100 stalls set up in the foothills of the Grampians, it's hard to imagine a more beautiful setting to sample a good drop and taste the flavours of the region.

While you're in the region, I encourage you to take some time to enjoy the Grampians stunning natural landscape and wildlife or take on Victoria's ultimate hiking experience at the Grampians Peaks Trail.

Enjoy this year's Grampians Grape Escape!

Steve Dimopoulos

Minister for Tourism, Sport and Major Events

We proudly present the 31st Grampians Grape Escape in beautiful Halls Gap.

Over three decades ago, visionaries, including the late Rick Heinrich, aimed to showcase the best food and wine in our region. Today, we're excited to see growing economic, social, and marketing outcomes that would make them proud.

The region and many exhibitors here continue to face challenges due to the summer bushfires, so I encourage everyone to shop, shop, shop. Mother's Day is just around the corner after all, and everyone could do with a wine rack top-up for winter.

A jam-packed program of masterclasses, live music, grape stomping, and guest chefs awaits, and the Grampians Winemakers Barrique Auction will again offer a unique opportunity to purchase a special Grampians Shiraz exclusive to GGE. This weekend is a true team effort, and we thank our exhibitors, volunteers, sponsors, and generous supporters, including the State Government of Victoria.

Enjoy the end of vintage celebrations, and from all of us at GGE, thank you for coming.

REMEMBERING RICK HEINRICH

Sept 1949 - Oct 2023

Rick Heinrich will always be remembered as a driving force behind the Grampians Grape Escape. We were fortunate to speak to Rick at length in the lead-up to 30 years of GGE about the festival's history. Rick spoke passionately about the early days of planning and the vision to bring more people to Halls Gap during quieter times of the year. His personal commitment to the region was evident, and his belief in the importance of community collaboration was admirable. We thank Rick and the Heinrich family for their dedication in making GGE a hallmark event on the Australian food and wine calendar.
